

Give ear, O my people, to my teaching; incline your ears to the words of my mouth! ...We will not hide them from their children, but tell to the coming generation the glorious deeds of the LORD, and his might, and the wonders that he has done.
Psalm 78: 1 & 4

WHAT IS LIFT?

LIFT Day is a Mother's Day Out program - a ministry of Concord Baptist Church that is designed to serve and minister to families of preschoolers by providing not just childcare, but preschool classes from 9:00 AM-2:00 PM for one or two days a week. This allows an opportunity for parents to run errands, go to appointments, homeschool older children, enjoy some leisure activities or meet with friends while their children are in a nurturing, fun and safe environment where they learn about God and the world he created. We desire to minister to the whole family. We care about your family and wish to help you in any way that we can. We are always available to talk to you and to encourage you as you raise your children to grow to be godly young men and women.

*We are not a state accredited preschool

Active play and nap time are a part of their day as well.

Cuddly Caterpillars (young 2's) & **Frolicking Frogs** (older 2's / young 3's) Our two year olds have lots of fun as they learn about the world around them from a curriculum that covers different units of study. Interesting crafts, Bible & other stories, active play, imaginative play, music and learning to interact with other children gives them a stimulating learning environment. Frolicking Frogs use Animal Train by My Father's World.

Busy Bees (Older 3 year olds) The three year olds learn many skills that will be helpful to them in their coming school years. This class uses Animal Train by My Father's World. They are introduced to letters and numbers, hear Bible & other stories, learn to cut, paste, color, play with play dough, paint, and many other skills. Active play, along with Music class, are a fun part of their day. **MUST BE POTTY TRAINED**

Terrific Turtles (4 & 5 year olds) The 4's and 5's are more seriously prepared for entry into kindergarten. They will learn a new letter and number each week, beginning writing skills, days of the week, continue learning different skills through crafts, puzzles, games, computer activities, active play, along with Music class. Terrific Turtles use Voyage of Discovery by My Father's World curriculum.

We have special days throughout the year like the Harvest Day Festival, Circus Day, Dr. Seuss Day, Water Day, and more. In-house field trips like the Noah's Little Ark Petting Zoo, the Chattanooga Fire Department and the Creative Discovery Museum add to the learning experience. All of our classes are designed to point the children to Jesus Christ, as he is presented in God's Word, and to discover his work in Creation. We also desire that the children learn how to apply God's Word to their everyday lives.
